

Dear Community Member,

I am delighted to announce that planning is underway for the **3rd Annual N.E.W. Women's Business Summit**. Next year's event will be held on Thursday, March 12, 2020 at the Green Bay Radisson Hotel & Conference Center.

"The session topics were timely and interesting..." "Networking with some great women and breakouts were Awesome!" ... "The breakout sessions were short and informative..." and "It was refreshing connecting with like-minded businesswomen," were just a few of the many positive comments made by attendees of the 2nd Annual N.E.W. Women's Business Summit when asked what they liked best about the summit.

We are GROWING!!! NEW for 2020...

In addition to our new location, we can now offer MORE spaces to vendors/exhibitors! Don't miss the opportunity to actively sell your services or demonstrate your products to the women's business community! Sponsorship options are also available with free exhibitor space! Show your support and be showcased as a sponsor or sponsor/exhibitor of Northeastern Wisconsin's premier forum for visionary women...women who want to discover the tools for success in work and life, where they will gain timely, practical advice to keep in their "business toolbox" – while making strategic business connections with other aspiring and enterprising women.

Fun Facts...

- 100% of attendees welcomed the opportunity to move to a larger venue in 2020.
- 100% of attendees who responded to our conference survey indicated they would attend again
- 74% of attendees traveled from within a 20-mile radius while 17% of those who attended traveled between 21 and 50 miles, and 9% of those who attended traveled 50 miles or more!

Why a Women's Business Summit?

Because working women throughout Northeastern Wisconsin are looking for opportunities to get to know one another while...

- Creating mutually beneficial relationships with peers
- Learning from peers about best practices and other essential information
- Supporting each other with knowledge, skills, tools—and friendship
- Becoming exposed to subject matter experts - our speakers, and the practical information and tools they will be sharing.

Once again, we will be offering breakout sessions across three learning tracks that include Small Business & Entrepreneurship, Professional Development and Personal Enrichment!

Back by popular demand...“EmpowHER Hour” Luncheon

With the overwhelming positive feedback, we will once again be joined over the lunch hour by a powerhouse panel of four engaging and empowering women of influence who will share their stories of thriving and empowering and the lessons they've learned along their journey.

Our needs...

As this event has already proven based on the feedback received, we believe the N.E.W. Women's Business Summit will continue to make a real difference in the lives of the working women who are your employees, your neighbors, your friends. Please consider supporting this effort by supporting the 3rd Annual N.E.W Women's Business Summit!

- Conference favors for attendees (an opportunity for you to provide giveaway items with your branding). Each attendee will receive a welcome bag containing conference information and resources from various business partners, sponsors and exhibitors.
- Enthusiasm in sending the working women in your business to our conference. You'll be doing them *and* your business a good turn.
